Plaintiff's Motion to Approve Settlement Agreement Pursuant to the
Private Attorneys General Act – GRANTED, and unopposed.**

County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: Based on the information provided in the moving papers and supporting evidence, the Court finds the proposed settlement is within the range of reasonableness and provides for relief that is genuine, meaningful, and consistent with the State's goal of benefitting the public through enforcement of its labor laws. Therefore, the Court approves the settlement and the distribution of the settlement funds, including the amounts allocated to attorney's fees and costs and administration costs, as set forth in the moving papers. (Lab. Code § 2699(l)(2).) However, the Court notes an error in the proposed order as to the calculation of the 75% allocation of net penalties to the LWDA. By the Court's calculation, the correct amount in that regard should be reflected as \$143,501.54. Plaintiff's counsel shall submit a revised form of order reflecting the information herein.
