Time: 8:30 A.M.

Dept. 1-The Honorable David C. Mathias

Motion: Hearing re: Final Distribution

Tentative Ruling: On June 30, 2026, the settlement administrator, through its case manager, filed a declaration indicating that the deadline to cash settlement award checks was June 8, 2026, that a total of \$30,097.62 remains uncashed and that "Per the State Controller's Office of Unclaimed Property – Dormancy Period, Apex shall hold the uncashed funds for one (1) year from the check-cashing deadline date, at which point Apex will then be able to transmit the unclaimed amounts in the Aggrieved Employee's name. Apex estimated all unclaimed property from this settlement shall be distributed to the State in approximately June 2027."

Therefore, the Court will set a status conference for July 29, 2027; 8:30 am; D1 as to the distribution of the \$30,097.62 to the State Controller's Office.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
