Dept. 1-The Honorable David C. Mathias

Motion: Plaintiff's Motion to Compel Further Responses to (1) Form Interrogatories - Employment, (2) Special Interrogatories and (3) Requests for Production; Sanctions

Tentative Ruling: (1) through (3): There are no tentative rulings on the merits for these motions. The parties are directed to meaningfully meet and confer before the hearing of these motions to resolve the discovery disputes identified in the moving and opposition papers for these discovery motions. If unable to resolve, counsel are directed to personally appear for the hearing on these discovery motions. No CourtCall or Zoom appearances will be permitted if the parties are unable to resolve this matter prior to the scheduled hearing.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
