

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**2024PRCE034716: IN THE MATTER OF FRANK HENRY HAVLAC JR
08/11/2026 in Department J6
Hearing on Petition for Fees**

The Court intends to award \$5,410 in reasonable attorney fees and \$468.39 in cost reimbursement to Petitioner Howard Gold. The Court has reviewed the billing statement and finds that the requested amount of \$8,169.50 in fees is not reasonable given the services provided.

For example, the Court notes that for 10/7/25, counsel billed 3.1 hours (\$1,240) to "Travel and appear at court hearing J6." The minute order for 10/7/25 reflects that counsel appeared remotely via video. Counsel also billed at his full rate of \$400/hour for travel time. The Court reduces all travel time to \$200/hour. Other billing entries appear inflated. The amount of fees awarded reflects the Court's judgment as to the reasonable value of the services provided.
