

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

2026PRDE062378: IN THE MATTER OF JACK HAROLD JOHNSON

07/30/2026 in Department J6

Hearing on Amended Petition for Letters of Administration

Amended Petition:

#3.c. not completed.

#5.a. (7) or (8) not completed.

Proof of Publication filed 06/22/26 is insufficient. The notice provides the wrong address for the court. (Probate Code §8121)

The Publication is insufficient for any IAEA authority as notice of the request for IAEA authority was not included in the publication. (Probate Code §10450)

Further, petitioners filed an Amended Petition, therefore new notice for the amended petition is required. (CRC rule 7.53)

Petitioners to file a verified supplement completing #5.a.(7) or (8) (not another amended petition), and statutorily sufficient proof of publication

The court intends to continue the hearing to 10/15/26 at 10:30 a.m. for petitioner to file statutorily sufficient Proof of Publication and a verified supplement completing the petition.

The clerk shall give notice.
