Status Report**

I&A Final filed 03/27/25 shows an estate value of \$0.00.

The last status report filed by the VCPA states that they had \$12,000 from lease payments related to the pasture property located at 161 Sundown Road, Thousand Oaks, CA 91361 from Myers Ranches LLC on December 11, 2025. The payment was for a total of \$12,000.00 and the lease was brought current through December 2025.

Upon discussion of the funds held by the Ventura County Public Administrator, if there is no reason to keep the estate open, such as there are no assets, the court intends to terminate the probate, discharge the Public Administrator and vacate the prior Order dated July 11, 2024.
