

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**202200569748PRTR: In Re The Virginia I Williamson Trust Dated 12.01.1995
08/26/2026 in Department J6
Third Account and Report**

Reserve requested \$139,815.29.

Was the refund in the amount of \$2,559 received after the close of the accounting period? The State Farm refund is not reflected in this account which closed on 03/31/26, almost 9 months after the payment was made.

Discuss reserve amount. It does not appear that the total amount requested is necessary.

Upon discussion of both items above, the court intends to approve the Third Account and Report and approve a reserve for one year.

The court intends to set an OSC re Account and Report re Reserve on 08/25/27 at 9:00 a.m. in Department J6.
