Notice of Hearing (DE-120) filed 04/20/26 but the proof of service attached is blank. A Proof of Service was filed and served on 05/26/26 but fails to state when the documents were served (See Proof of Service #3) A second Proof of Service was filed 06/11/26 which states the Notice of Hearing and Petition (fails to indicate Amended Petition) were served on 06/11/26 to Kelli Hope.

It appears the trustee, Brandy Nightingale, has not been given statutorily sufficient service of notice.

The court intends to continue the hearing to 08/12/26 at 9:00 a.m. in Department J6 for statutorily sufficient service of notice.
