Motion: Defendant American Honda Motor Co., Inc.’s Motion to Compel Binding Arbitration

Tentative Ruling:

Defendant has filed two motions to compel arbitration both set for hearing on April 20, 2026. The Court presumes that the second motion is intended to supersede the first. No notice at all was given in connection with the petition filed on February 17, 2026. But Plaintiff waived the defect and opposed on the merits. Defendant then filed an entirely new motion on March 24, 2026 also set for hearing on April 20, 2026. This motion was timely filed and served by electronic notice, however, Plaintiff failed to oppose the motion. The second motion is substantially different from the original motion. The Court will inquire at the hearing as to Plaintiff’s position with respect to the second motion, and consider whether to continue this hearing or GRANT the unopposed second motion.

Counsel for Defendant is ordered to give notice of the Court’s ruling.
