Net Settlement After PAGA add-back	\$137,475	\$142,225

2. **Timely Service.** The Motion was timely served on all parties, to include service of the Motion and settlement agreement on the LWDA. (Labor Code § 2699(s)(2); Code Civ. Proc. §§ 1005, 1010.6.)

3. **Conformity with Rules of Court.** The Rules of Court govern the length and format of law and motion papers, to include that no opening or responding memorandum may exceed 15 pages absent leave of court (See Cal. R. Ct., rule 3.1113(d).); the font must be at least 12 points (Cal. R. Ct., rule 2.104); conforming exhibits that are appropriately indexed, tabbed or bookmarked, and paginated (Cal. R. Ct., rules 2.256(b) and 3.1110(f).) Counsel's compliance with these rules greatly aids in the review of papers filed with the Court, and also avoids delay in the Court's issuance of a decision on the merits. Noncompliance with these rules may cause delay in approval, or the Court to disregard noncompliant materials. (See Code Civ. Proc. §§ 187 & 128; see also *Bozzi v. Nordstrom* (2010) 186 Cal.App.4th 755, 765 [trial court has broad discretion to refuse to consider papers that do not comply with rule 3.1300(d)].)

4. **Fairness of Settlement.** The Court has reviewed the motion, all supporting documents filed in support thereof, and finds that Plaintiff has met its burden to show that the settlement was obtained after an arm's-length negotiation, and is fair, adequate and reasonable. (*Dunk v. Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1801 [adequacy and reasonableness factors include consideration of case strengths, risks, and posture; settlement amount; experience of counsel].) The Court has reviewed the terms of the PAGA settlement, and finds that the settlement is fair, reasonable, and adequate in view of PAGA's purposes. (*Moniz v. Adecco USA, Inc.* (2021) 72 Cal. App.5th 56, 77 disapproved on other grounds in *Turrieta v. Lyft, Inc.* (2024) 16 Cal.5th 664.) In addition, the Court finds that the allocation between class claims and PAGA claims is fair. (*Id.*) Further, the Court finds that the scope of the release contained in the settlement agreement is fairly tailored to those that were or could be asserted in the lawsuit based on the facts alleged in the complaint. (*Amaro v. Anaheim Arena Management, LLC* (2021) 69

¹ Effective for PAGA Notices filed before June 19, 2024, penalties recovered are allocated 75% (LWDA) / 25% (Aggrieved Employees). For PAGA Notices filed on or after June 19, 2024, penalties recovered are allocated 65% (LWDA) / 35% (Aggrieved Employees). (Labor Code § 2699(m).) The notice to the LWDA in this case is dated February 7, 2025.

2025CUOE038050: LEON RAMON vs GLESBY BUILDING MATERIALS COMPANY, INC.

Cal.App.5th 521, 538-39.) The release does not include a Civil Code section 1542 waiver as to absent class members. The settlement is non-reversionary.

5. **Conditional Class Certification.** The Court is satisfied that the proposed class should be certified for purposes of settlement as Plaintiff has met the requirements of Code of Civil Procedure, section 382 [ascertainability, numerosity, well-defined community of interest].

The class is defined as: “Any and all current and former non-exempt employees who worked for Defendant within the State of California at any time from February 7, 2021 through February 17, 2026 (the “Class Period”).

Aggrieved Employees under PAGA are defined as: “any and all current and former non-exempt employees who worked for Defendant within the State of California at any time from February 7, 2024 to February 17, 2026 (the “PAGA Period”).

Plaintiff(s) have analyzed the range of liability, and have provided information regarding the number of class members/aggrieved employees together with the average payout per employee, as follows:

Estimated Number of Class Members:	40
Estimated Class Payment:	\$3,175
Estimated Number of Aggrieved Employees:	Not Provided
Estimated Average Allocation of PAGA Penalty to Aggrieved Employees:	Not Provided

6. **Appointments.** The Court appoints plaintiff **Ramon Leon** as the class representative, plaintiff's counsel **Daniel J. Brown of Stansbury Brown Law, PC** as class counsel, and **Phoenix Class Action Administration Solutions** as the Settlement Administrator.

7. **Notice to Class.** The Court is satisfied that the proposed class notice will adequately inform the class about the claims and satisfies the requirements of California Rules of Court, rule 3.766(d), i.e., language of notice; the terms of settlement; release of claims; anticipated distribution; amount of fees and costs requested by counsel, class representatives, and the Settlement Administrator; does not include commentary concerning the merits of the settlement; and explains the time limits for class members to object, opt out, and redeem payments.

8. **Attorney Fee Award.** With respect to the request for attorneys' fees, the Court has independently scrutinized Plaintiff's request for a percentage fee to be paid from the common fund in the amount of **35% the gross settlement amount**. At this juncture, and

2025CUOE038050: LEON RAMON vs GLESBY BUILDING MATERIALS COMPANY, INC.

reserving the Court's discretion to select the method of fee recovery that best serves the facts at final approval, the Court approves a percentage **fee recovery up to 1/3 of the common fund.** (*Laffitte v. Robert Half Internat. Inc.* (2016) 1 Cal.5th 480, 503.) The Court will exercise its discretion to determine the reasonableness of the fee using a **25 percent benchmark**. Counsel must justify fees that exceed the Court's benchmark in connection with the final approval motion.

9. **Incentive Award.** Plaintiff in this case seeks an incentive award of **\$7,500**. Here, the Court finds within its discretion that an award of up to **\$7,500** reflects the class representative's actual effort, risk, and contributions to the litigation, and is not disproportionate to plaintiff's expended effort. (*Cellphone Termination Fee Cases* (2010) 186 Cal.App.4th 1380, 1393–1395.)

10. **Attorney Costs.** Costs are requested in an amount not to exceed **\$18,000**, with **\$15,222** expended to date. Subject to Plaintiff's substantiating such costs at final approval, the Court will approve costs up to the requested amount.

11. **Claims Administration Costs.** Costs are requested in an amount not to exceed **\$3,750**. Subject to Plaintiff's substantiating such costs at final approval, the Court will approve costs up to the requested amount.

12. **Cy Pres.** The parties have selected Court Appointed Special Advocates ("CASA") of Ventura County as the designated cy pres recipient in accordance with Code of Civil Procedure section 384.

13. **Implementation Schedule and Proposed Order.** Plaintiffs are to include a detailed implementation schedule to accord with the timeline provided in revised proposed order. The proposed order must be a complete document and may not incorporate by reference any document not attached to it. The proposed order must have as an attachment the class notice.

Subject to any modifications above, the Court **GRANTS** the motion and will sign the proposed order **to be modified in accordance with this order.**

The Court hereby sets the hearing for final approval on **Wednesday, March 10, 2026, at 1:30 p.m.**

Plaintiff's counsel shall give notice.
