Probate Code section 2640.1, subdivision (c), provides that the court may award fees “in connection with and to facilitate the appointment of a conservator, and costs incurred in connection therewith.”

The I&A filed on 12/1/25 shows a total estate valued at \$77,196.71, with a car (\$8,500), household PP (\$50), and a burial plot (\$5,685) included in that amount. This is not a sizeable estate.

The Court will approve \$367.50 in fees to Petitioner Valerie Grossman.

The Court will approve \$4,985.00 in attorney fees and \$117.50 in costs to Petitioner’s counsel.

The conservator of the estate shall pay the foregoing fees and costs.
