Probate Notes

2026PRDE060856: IN THE MATTER OF JOSE LUIS PEREZ

08/06/2026 in Department J6

Hearing on Amended Petition for Probate of Will and for Letters Testamentary

On 6/12/26, Petitioner filed an amended probate petition. This means that a new DE-121 must be served and filed and a new publication must be done. (Cal. Rules of Court, rule 7.53(a).) Simply serving the amended petition, as Petitioner appears to have done, is insufficient. Continue for statutory notice and publication for the amended petition.
