Tentative Ruling: This petition was filed in July of 2025. After two continuances, and despite the prior rulings of the court addressing these problems, the petition is not properly verified, and there is no proof of service to several trust beneficiaries. The petitioner has not filed a statement of issues, despite being ordered to do so previously. Therefore, the petition DISMISSED WITHOUT PREJUDICE pursuant to Sonoma County Local Rule 6.2(C)(2)(c).
