10. JEFFREY NICHOLSON V. LUCIA NICHOLSON

PFL20210381

Petitioner filed a Request for Order (RFO) on June 29, 2026, seeking bifurcation of marital status. Respondent was mail served on June 30, 2026.

Petitioner filed an amended RFO on July 20, 2026. Respondent was mail served on July 23, 2026.

Respondent has not filed a Responsive Declaration to Request for Order, therefore, the court deems the failure to do so as an admission that Petitioner's moving papers have merit. See El Dorado County, Local Rule 7.10.02(C).

Regarding the request for bifurcation, a party may request bifurcation of the issue of marital status, however prior to doing so the party must ensure that "[a]ll pension plans that have not been divided by court order that require joinder ..." have been joined. Cal. Rule Ct. 5.390(d)(1). A party seeking bifurcation is to submit a completed FL-315. Cal. Rule Ct. 5.390(a).

Here, Petitioner has filed the requisite paperwork and it appears all retirement plans have been joined. Accordingly, the court finds good cause to bifurcate the case and grant a separate trial on the issue of marital status only. The court orders parties to appear for the hearing on this issue.
