Case Number: 26LBCV00742 Hearing Date: September 24, 2026 Dept: S27

Plaintiff seeks an order

consolidating two actions that arise out of the same automobile accident. The moving party is suing (the plaintiff) in one action and is being sued (the defendant) in the other. The motion is denied without prejudice because the cases have not been deemed related and are not pending in the same department. 25LBCV01938, the earlier filed case, is currently pending in Department S28. The motion to consolidate is therefore premature. Local Rule 3.3(g)(1).

If Plaintiff renews the motion,

Plaintiff is asked to closely read and consider all Rules of Court and Local Rules governing such relief, including rules making clear that relief must be sought in the earliest-filed case.

The parties are reminded that there is a Case

Management Conference scheduled concurrently with the hearing on the above motion. The Court asks the parties to make arrangements to appear remotely at the CMC and hearing on the motion.
