Malouki v. Lyft, Inc.

25STCV37821

Defendant's Motion to Compel Arbitration

Tentative Ruling

The

motion of Defendant Lyft, Inc. ("Lyft") to compel arbitration is granted.

On December

24, 2025, Chayan Malouki ("Plaintiff") filed a complaint in this action against Lyft and Luis Flores Anzualda ("Anzualda") asserting causes of action for motor vehicle negligence and general negligence arising out of an automobile accident occurring on March 5, 2025.

On March 2, 2026,

Lyft filed an answer.

On March 4,

2026, Anzualda filed an answer.

On August 27,

2026, Lyft filed this motion to compel arbitration.

No opposition

has been filed.

The

Court has reviewed the evidence submitted by Lyft. The Court finds that Lyft has met its initial burden to show that the parties entered into a valid agreement to arbitrate the causes of action in Plaintiff's complaint.

With that showing, the burden shifts to Plaintiff to make a showing that the agreement is not valid or enforceable or that the Plaintiff did not in fact enter into the agreement to arbitrate.

Plaintiff has not filed an opposition or otherwise made such a showing.

All

substantive and procedural requirements are satisfied. The motion to compel arbitration of Plaintiff's causes of action against Defendant Lyft is granted.

The

Court ORDERS the parties to arbitrate Plaintiff's claims against Defendant Lyft (only). The Court STAYS litigation of these claims.

This

order does NOT stay the litigation of Plaintiff's causes of action against Defendant Anzualda. Those causes of action remain to be litigated in this judicial forum; all dates (including the trial date of March 20, 2028) remain on calendar.

The

Court SETS a post-arbitration status conference with regard to the arbitration of Plaintiff's claims against Lyft for July 15, 2026, at 8:30 am, in Department 514. The parties are ordered to file a written report regarding the status of the arbitration by no later than July 1, 2026.

Moving

party is ordered to give notice.
