Case Number: 19STCV04540 Hearing Date: September 24, 2026 Dept: 517

Pending before the Court is Judgment Debtor Mark Buchheim's motion for an order compelling the Judgment Creditors to acknowledge partial satisfaction of the judgment entered against Buchheim. The motion is based on this Court's July 27, 2026 order granting Buchheim's motion for an equitable offset of the judgment against him. The Judgment Creditors have moved, however, for reconsideration of the July 27, 2026 order granting the equitable offset motion. In light of the reconsideration motion, the Court will not be issuing a decision on Buchheim's partial satisfaction motion. Instead, at the hearing on the partial satisfaction motion, the Court will advance the hearing date on the reconsideration motion (it currently is not set to be heard until February 18, 2027) to a date sometime in November 2027. The Court will discuss a mutually convenient date for that at the hearing on the partial satisfaction motion. The Court will then move the hearing date on the partial satisfaction motion to a date after the hearing on the reconsideration motion. The Court is aware that Buchheim has filed a second motion for equitable offset, which is set to be heard on October 8, 2026. The Court will move that hearing date, too, to a date after the reconsideration motion is heard.
