Probate Notes:

The following must be submitted:

Proposed Order. A proposed order must be submitted with relief that matches that requested in the petition. (Local Rule 1724(b), subd.(d).) Order must list every beneficiary and detail the shares to each, and must expressly state limitations or conditions on distribution. (Prob. Code, § 11603.) Please use Local Form SC-6029, and attach the stipulation for distribution proffered in the petition to the proposed order.

If the documents curing these deficiencies are not processed by 8:00 a.m. on September 30, 2026, it is recommended that the matter be continued to a date to be set by the Court at the hearing, unless the party appears and requests a different

date, or submits a request for a different continuance date prior to the hearing. (Local Rule 1721(c)(2)(A-B).) If the matter is continued, documents must be submitted at least 10 days prior to the new hearing date to be considered.

Due to staffing limitations, processing times may be delayed. To assist in processing, attorneys and parties should include the next court date in the "Filing Description" field provided by the electronic service provider. That field is also used for further descriptions of the document being e-filed, so be sure to put the calendar date FIRST in the field – BEFORE any further description of the document being e-filed (e.g.: 06/28/16 For XYZ).
