Dept. 1-The Honorable David C. Mathias

Motion: Hearing re: Distribution of Settlement

Tentative Ruling: On September 16, 2026, the settlement administrator, through its case manager, filed a declaration as to the status of the distribution of the settlement fund. The administrator notes that the Defendant deposited the first installment of \$175,000.00 into the settlement fund on March 24, 2026. The second and third installments, each in the amount of \$175,000.00, are due on March 2, 2027, and January 31, 2028, respectively. As such, the Court will continue this matter as to the status of the second installment to March 25, 2027; 8:30 am; D1. If the settlement administrator files a supplemental declaration, no appearances will be required and the Court will set a further status date at that time as to the third installment.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
