Dept. 1-The Honorable David C. Mathias

Motion: Hearing re: Distribution of Settlement

Tentative Ruling: On September 17, 2026, the settlement administrator, through its case manager, filed a declaration as to the status of the distribution of the settlement fund. The administrator notes that the deadline to cash the settlement award check was August 11, 2025, that as of this date of this Declaration, 99 checks, totaling \$7,166.70, remain uncashed. Further, on September 8, 2026, the amount of \$7,166.70 was sent directly to the California State Controller's Office - Unclaimed Property. Therefore, the Court finds the settlement has been distributed in full in accordance with the settlement in this matter. No appearances are required.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
