Defendant Anna Grabowska provided documentation that she has resided at the same location, 7281 La Mancha Circle Apt. C, Huntington Beach, CA 92648, since June 2020. Plaintiff failed to timely serve on the Defendant the Application for Renewal of Judgment at the correct address for the Defendant. Additionally, there is no evidence lodged with the Court showing that the Plaintiff complied with the requirement to notify the judgment debtor that the judgment debtor has 60 days within which to move to vacate or modify the renewal. The Court VACATES the Renewal of Judgment and QUASHES the Writ of Execution issued on 4/22/2026. 20	30-2026-01570045 The Irvine Company LLC vs. HafezKhorram	The Court has read and considered the Defendants' Motion to Quash Service of Summons (ROA 15). The Court takes Judicial Notice of the Proof of Service of Summons (ROA 8, 12, & 14) and the Proof of Service of Summons & Complaint – Unnamed Occupants (ROA 10). Service was effectively implemented by a registered process server, Yesica Romero Hernandez (PS-002415). Akhtar HafezKhorram and Shahram Mohebbi were served by substitute service on May 24, 2026, at 1:18 PM by the registered process server providing the Summons and other documents to Altar Horam, occupant, and mailing. (ROA 8 & 12) Attached to the Proofs of Service was a declaration of due diligence of prior attempts at personal service. The declaration of due diligence states that Ms. Horam identified herself as the mother of Shiva Mohebbi and contained a description of Ms. Horam. Shiva Mohebbi was personally served on May 19, 2026, at 4:21 PM (ROA 14). California Evidence Code Section 647 creates a rebuttable presumption that a proof of service signed by a registered process server is true. It shifts the burden of proving lack of service to the defendant, rather than requiring the plaintiff to prove proper service. Defendants have provided no evidence to rebut the presumption under Evidence Code Section 647 other than their own self-serving statements that Shiva was not personally served and that the documents were left at the door. Defendants argue that Akhtar HafezKhorram and Shahram Mohebbi are not residents of the premises address but were simply signers of the lease as "co-signers/guarantors," but provide no evidence to support this claim, such as the lease agreement showing that they signed as guarantors and are not listed as occupants/tenants of the property.
