Case Number: 25SMCV05592 Hearing Date: July 21, 2026 Dept: 205

The requested default judgment is denied for the following

reasons: (1) Plaintiff Assurance A. Tanyi has not

dismissed the Doe defendants. (2) There

is a discrepancy between the damages sought in the complaint as compared to those sought on the CIV-100 form and compared to those sought on the JUD-100 form. These discrepancies are

unexplained (Plaintiff's declaration also further confuses the matter because her breakdown of damages does not match what she asks for on the official forms).

(3) Plaintiff does not supply evidence

justifying \$24 million in compensatory damages. (4) There is no summary of the case. And (5) in her declaration Plaintiff states she is

seeking \$9 million in punitive damages but does not attach a statement of damages (CIV-050 form).

For the foregoing reasons, Plaintiff's Request for Default

Judgment against Defendant Extra Space Storage, Inc. is DENIED. The Court continues the Order to Show Cause
