Background

Plaintiff filed a motion to vacate dismissal and enter judgment pursuant to stipulation. The Motion and its supporting documents are timely.

Analysis

Mail service was completed at an address for the Defendant where he was personally served with notice of the Summons and Complaint. The address was also in an attachment to the Complaint. Though Defendant never filed an Answer, he did enter into a Stipulation with Plaintiff on this very matter, showing, by a preponderance of the evidence, that he was aware of this litigation. Defendant has made no effort to file a change of address with the court, nor indicate in any other way that the mailing address listed in the attachment to the Complaint is incorrect. Thus, the court finds that Defendant was properly noticed of this Motion.
