FOR VALUATION ACCESS AND PROPERTY RETRIEVAL; REQUEST FOR ORDER RE:
DISPOSITION OF REAL PROPERTY

TENTATIVE RULING

Having read and considered the pleadings, declarations, and other evidence submitted in this matter, the
Court makes the following findings and orders:

A. Procedural History

- 1) Petitioner Alana Conner (Wife) and Respondent Howard Rose (Husband) married on 2/5/2020
and separated on 12/15/2025, for a marriage of 5 years and 10 months. The parties have no minor
children. Wife is represented by attorney Amrit Kullar of the Lewellen Family Law Group.
Husband is self-represented.
- 2) On for hearing is Wife's Request for Order filed 3/20/2026. Wife states she has made good faith
efforts to settle the issues in the parties' case since their date of separation. Wife states the
primary issue remaining is the disposition of the marital residence located at 31 Navajo Ave. in
San Francisco. Wife states the parties agreed to obtain a neutral third-party appraisal to determine
the value of the property. After the appraisal was completed, Husband then refused to accept it
and has sent aggressive communications to Wife stating he is not required to agree to a buyout
and that Wife needs to accept a higher value. Wife asks the Court to:

- a. Grant Wife the right to buy out Husband's Navajo Ave. residence at the fair market value as of the date of separation based on the existing appraisal or another Court-ordered neutral third-party appraisal tied to the date of separation;
- b. Order Husband to cooperate in all steps necessary to effectuate the buyout, including execution of all required documents;
- c. Order the property to be immediately listed for sale with a Court-appointed real estate agent if a buyout is not completed within a time certain set by the Court;
- d. Order both parties to cooperate with the list and sale of the property including reasonable access, preparation, and execution of all necessary documents; and
- e. Set a timeline for completion of the buyout or sale to ensure prompt resolution.

3) Also on for hearing is Husband's Request for Order originally filed as an ex parte request on 4/10/2026. Husband states that while Wife is seeking a Court-ordered buyout, she is blocking Husband's right to obtain an independent valuation of the home. Husband states he is currently residing in Washington state. Husband states he contacted Wife to arrange a time to retrieve his belongings from the Navajo Ave. property, but Wife wants to move items that she deems his into a single room and forbid his access to other areas unless he hires and pays for a "licensed and insured professional service provider" to act as an observer. Husband states he was able to arrange a time to meet at the residence, but Wife hired third-party observer to monitor his movements and restrict him from accessing the stairwell or the main floor. Husband asks the Court to:

- a. Grant Husband access to all shared and common areas of the Navajo Ave. property including but not limited to the kitchen, living areas, dining rooms, garage, laundry facilities, bathrooms, and all outdoor spaces;
- b. Prohibit Wife from designating or recharacterizing any common or shared areas as private or personal space for the purpose of denying Court-ordered access;
- c. Permit Husband to give access to the home to up to three licensed real estate agents of Husband's choosing to perform a walkthrough of no more than 60 minutes with 48 hours' notice via text and email;

- 1 d. Grant Husband unrestricted access to the entire residence for the purpose of identifying
2 and removing his sole and separate property and permit Husband to remove property with
3 48 hours' notice via text and email;
- 4 e. Prohibit Wife from obstructing Husband's entry or removal of items during the noticed
5 periods;
- 6 f. Husband to provide Wife with a fully copy of any written valuation estimates or reports
7 within 48 hours of Husband's receipt.
- 8 4) On 4/8/2026, Wife filed a Responsive Declaration. Wife states there is no urgency for Husband's
9 requests and she already put at issue the additional valuation of the property in her 3/20/2026
10 Request for Order. Wife states that Husband was able to remove a portion of his personal
11 belongings. Wife states she was not present while Husband was there and, in her absence, she
12 hired a licensed private investigator to act as a neutral observer who did not position himself on
13 or near either staircase and did not physically or otherwise obstruct access to any area. Wife also
14 states Husband did not attempt to access the upstairs during the retrieval. Wife also states that
15 Husband participated in the previously performed appraisal. Wife states that multiple
16 walkthroughs for additional valuations is excessive and introduce inconsistent and potentially
17 biased valuation inputs.
- 18 5) On 4/8/2026, Wife's attorney filed a declaration statin that Husband improperly served his ex
19 parte Request for Order directly on Wife even though Wife's attorney notified Husband that she
20 is now represented by counsel.
- 21 6) Per the Temporary Emergency (Ex Parte) Orders filed 4/10/2026, the Court granted the following
22 orders. The Court also set Husband's Request for Order filed 4/10/2026 for hearing on shortened
23 time for 5/5/2026.
- 24 a. VALUATION ACCESS: Respondent and his agents (including licensed real estate
25 professionals) shall have unrestricted access to the interior and exterior of the residence
26 for the purpose of valuation and appraisal.
- 27 b. NOTICE REQUIREMENT: Respondent shall provide Petitioner with 48 hours' written
28 notice (via email or text) prior to any scheduled access.
- 29

- c. PROPERTY RETRIEVAL: Respondent is authorized to enter the residence to retrieve his personal property, professional records, electronics, and instruments during any noticed valuation period.
- d. NO INTERFERENCE: Petitioner is prohibited from obstructing entry, changing access codes without notice, or requiring Respondent to pay for third-party observers (such as private security) as a condition of entry.
- e. UNOBSTRUCTED ACCESS: Petitioner is prohibited from changing gate codes, door codes, or locks to the residence at 31 Navajo Ave without providing Respondent the new codes/keys at least 48 hours in advance of any noticed access.
- f. NO THIRD-PARTY REQUIREMENTS: Petitioner is prohibited from requiring Respondent to pay for or coordinate with third-party "observers," private security, or "guards" as a condition of entry.
- g. NON-INTERFERENCE: Petitioner shall not interfere with, harass, or follow Respondent or his agents while they are on the premises for the court-ordered purposes of valuation and property retrieval.

7) On 4/21/2026, Husband filed a Responsive Declaration to Wife's 3/20/2026 Request for Order. Husband states that Wife's attorney unilaterally increased the "previously observed 48-hour noticed period... to 72 hours," which led Husband to miss the deadline to file his tax returns. Husband states Petitioner has hired guards to prevent him from viewing the current state of the home, inventorying community property, and locating or retrieving his personal property situated throughout the house. Husband states Wife has taped off specific areas within the shared garage and common spaces. Husband states Wife's hired guards monitor and report his movements to Wife in real time. Husband asks the Court to:

- a. Order Wife to immediately cease the use of hired guards, observers, or monitors to oversee, record, or restrict Husband's access to the property;
- b. Grant Husband access to the entire residence (excluding Wife's private bedroom) to retrieve personal property and inventory community assets upon 48 hours' notice provided via email and/or text;

- c. If the Court declines to order an immediate sale, grant Husband access to up to three (3) licensed real estate agents of his choosing to perform interior and exterior evaluations for the purpose of establishing a neutral fair market value, with each visit limited to a duration of 60 minutes;
- d. Order Wife not to obstruct, "tape off," or otherwise interfere with Husband's access to any portion of the residence or lot (excluding Wife's private bedroom) during scheduled visits.
- e. Husband to provide Wife with copies of any resulting valuation reports ("CMAs or appraisals") within 48 hours of Husband's receipt of said documents.

8) On 4/21/2026, Husband filed a Supplemental Declaration which contains identical allegations and requests as his Responsive Declaration but includes additional exhibits.

B. Findings and Order

- 1) The following order set forth in the Court's Temporary Emergency Orders filed 4/10/2026 is vacated and set aside: Respondent and his agents (including licensed real estate professionals) shall have unrestricted access to the interior and exterior of the residence for the purpose of valuation and appraisal.
- 2) The following orders shall remain in full force and effect:
 - a. NOTICE REQUIREMENT: Respondent shall provide Petitioner with 48 hours' written notice (via email or text) prior to any scheduled access.
 - b. PROPERTY RETRIEVAL: Respondent is authorized to enter the residence to retrieve his personal property, professional records, electronics, and instruments during any noticed valuation period.
 - c. NO INTERFERENCE: Petitioner is prohibited from obstructing entry, changing access codes without notice, or requiring Respondent to pay for third-party observers (such as private security) as a condition of entry.
 - d. UNOBSTRUCTED ACCESS: Petitioner is prohibited from changing gate codes, door codes, or locks to the residence at 31 Navajo Ave without providing Respondent the new codes/keys at least 48 hours in advance of any noticed access.

- 1 e. NO THIRD-PARTY REQUIREMENTS: Petitioner is prohibited from requiring

7 entire residence and Wife is not permitted to obstruct Husband's access to any area in the
8 residence during a noticed period.
- 9 b. Wife may have a neutral third party present to observe while Husband is in the home.
10 The third party shall not obstruct Husband's movements or restrict Husband's access to
11 any area of the home.

- 16 a. No later than 5/22/2026, the parties shall each propose to the other party the names of
17 two real estate professionals to perform the appraisal, who shall be different from the
18 appraiser who previously performed an appraisal of the home. The parties shall meet and

28 professional's CV shall be attached to the declaration.

1 e. Once an appraiser has been selected either upon agreement of the parties or by Court
2 order, each party may submit to the appraiser a declaration (not to exceed 3 pages, not
3 including exhibits) of any information they think the appraiser should consider when
4 appraising the property. A copy of that declaration shall also be served on the other party.

5 5) The Court hereby sets a second hearing date of **Thursday, 8/6/2026 at 9:00 AM in Dept. 404** to
6 review the parties' positions regarding the appraisal, whether they intend to accept it or challenge
7 it.

8 6) The Court's jurisdiction to permit Wife to buy out Husband's community interest in the Navajo
9 Ave. residence or to order the Navajo Ave. property to be sold is reserved.

10 7) Wife's attorney shall prepare the Findings and Order After Hearing.

11 8) **Preparation of Order:** If you are directed by the court to prepare the order after hearing – within
