Line 3	24CV439572	Abhishek Srivastava v. BMW of North America, LLC et al.	Plaintiff Abhishek Srivastava's motion to compel further responses to special interrogatories, set one. Notice is proper and the motion is opposed by defendant BMW of North America, LLC. Plaintiff moves to compel supplemental responses to special interrogatory Nos. 2, 3, and 4, which all seek information about what happened after plaintiff's vehicle was delivered to BMW of Mountain View (including information about changes to the vehicle and inspections of the vehicle). Defendant's response referred plaintiff to service records from BMW of Mountain View that defendant has apparently produced in discovery. Defendant also indicated it would "produce the Warranty Vehicle Inquiry." Defendant indicated it did not have further information responsive to the interrogatories. Defendant thereafter apparently supplemented its production with further records (including a confidential field report and additional service records). Plaintiff appears to conflate defendant and BMW of Mountain View, but they are distinct entities. Defendant's responses are code-compliant. (Code Civ. Proc., § 2030.230.) The motion to compel is DENIED. The court will prepare the order.
