PREGRANT ORDER

A motion on the issue of the respondent's failure to attend his deposition was previously heard on May 7, 2026 and the court ordered the respondent to attend the deposition as set by petitioner's counsel. The court ordered that If the respondent failed to appear, then they shall appear before the court to understand why they should not be sanctioned \$1,000.00 for their failure to appear. The court also issued sanctions in the amount of \$3,865.90 to be paid by June 8, 2026.

The court denied the ex parte motion on this issue on June 18, 2026 due to a lack of the mandatory meet and confer declaration.

The court will issue additional sanctions of \$1,000.00 against the respondent for his failure to attend the deposition. **IN RE THE ESTATE OF EILEEN RUTH CONNELLY, DECEASED
FPR051867**

First and Final Report of Personal Representative; Petition for Final Distribution on Waiver of Account and for Payment of Compensation to Personal Representative

PREGRANT ORDER

The court on its own motion continues this hearing to September 23, 2026, at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. A personal representative is required to file an Inventory and Appraisal within four months after letters are first issued to a general representative. (Prob. Code §8800(b).) Letters were issued on August 21, 2023; thus, the final Inventory and Appraisal was due by December 21, 2023 but was not filed until May 27, 2026. The 29-month delay in filing is unexplained.

2. Pursuant to Probate Code section 12200(a), a personal representative is to file either a petition for final distribution or a status report within one year of the date letters are issued if no estate tax return is required, and within eighteen months of the date letters are issued if an estate tax return is required. Here, letters were issued on August 21, 2023. As the estate is of an insufficient size to require an estate tax return, the petition for final distribution or a status report was due by August 21, 2024. No status reports were filed in 2024 or 2025, and no petition was filed until June 8, 2026. There is no explanation given for the delay.
3. The Proof of Service is missing the date on the server's signature. Additionally, notice was not given to the administrator of the estate of Patrick Connelly.
4. Petition, item 12: The petition states that the Inventory was filed November 27, 2023 with a value of \$188,761.03. The court file does not contain an Inventory filed on that date. The court file shows a partial Inventory filed March 11, 2024 with a value of \$197,651.66. The petition does not mention the corrected Inventory filed May 27, 2026 with the final, corrected value of \$178,347.57.

The court finds all notices have been given as required by law.
