The following is noted:</p> <ol style="list-style-type: none"> <li>1. It is unclear from the materials filed if all persons interested in this Petitioner were served. The Petition does not disclose what individuals would comprise the "other beneficiary or group of beneficiaries" discussed in the Petition. Is this just the adoptive child of Roger Brown Jr. or another category of persons? It is noted that Mrs. Ginna Brown was served in care of her attorney. The estate of Roger Brown Jr. has not been served separately. Ms. Ginna Brown's Objection indicates she is filing as the administrator of the estate, so the defect appears to be waived.</li> <li>2. A copy of the consent agreement regarding continued administration, as reference in the Petition, is needed.</li> </ol> |

The parties should be prepared to discuss the following:</p> <p>1. <i>Proof of service of Notice of Hearing cannot be fully reviewed until the following information is provided.</i></p> <p>a. <i>As to the Probate Code section 850 cause of action, specific information is needed as to what cash, securities, and tangible personal property is at issue so the proper parties in possession of, holding title to or an interest in each items can be named and noticed. Probate Code section 851 subsection (c) requires an adequate description to provide notice any party who may have an interest in the property. At this time, only the real property is adequately listed under Probate Code section 851.</i></p> <p>b. <i>The proof of service was not filed on Leighton Wood Jr., who is named as a trustee in the original amendment and Trust. Is this person still living?</i></p> |
