Case Number: 24CMCV01490 Hearing Date: July 16, 2026 Dept: A

The court's tentative ruling is to deny the motion to compel responses to Request for Admissions by defendant Creavonne Garrett as the motion was filed and set to be heard beyond the discovery cutoff date and the court denied the request to extend the discovery cutoff. The court intends to set an Order to Show Cause as to why the court should not advance and vacate all future discovery motion hearing dates where the motion was not timely filed, if the moving party/parties does/do not withdraw any late-filed motion(s).
