The parties are ordered to attend mediation for child custody mediation on September 01, 2026, at 9:00 a.m. at the San Benito Superior Court's Self-Help Center. The July 15, 2026, hearing is continued to September 16, 2026, at 8:30 a.m.

****Please contact Judicial Courtroom Assistant, Maria Pantoja, at (831) 636-4057 x129 or mpantoja@sanbenitocourt.org with any objections or concerns.**

Petitioner's Request for Voluntary Waiver of Respondent's Preliminary Financial Disclosure is GRANTED. In light of the full mediation agreement that the parties reached, no appearances are necessary on July 15, 2026, unless there is a request to be heard.

Petitioner's May 22, 2026, Request for Order for Spousal Support is DENIED.

"California law provides for two distinct types of spousal support—temporary and permanent. Awards of temporary spousal support do not serve the same purpose, nor are they governed by the same procedures, as awards for permanent spousal support." (*In re Marriage of Mendoza & Cuellar* (2017) 14 Cal.App.5th 939, 942.) Temporary spousal support is meant to "allow a spouse to continue to live in the manner to which he or she is accustomed during the time the dissolution action is pending." (*Id.* at 942-943.) Here, the parties continue to reside together and, consequently, the basis for temporary spousal support is not triggered because the equitable basis for a support allocation is absent when the parties continue to live under the same roof." (see *In re Marriage of Burlini* (1983) 143 Cal. App. 3d 65.)

As to Petitioner's Request for Child Support, the request is GRANTED. Respondent is ordered to pay child support at \$4,016 per month. One-half of the payment is due on the first of each month and one-half of the payment is due on the fifteenth of each month. Each party must pay 50% of child-care costs related to employment or reasonably necessary job training. Each party must pay 50% reasonable uninsured health-care costs for the children. The court used a printout of a computer calculation and findings, which is located below and incorporated in this order. The orders are effective June 1, 2026. Respondent is ordered to pay arrears in the amount of \$250 each month. One-half of the payment is due on the first of each month and one-half of the payment is due on the fifteenth of each month.

"The guideline amount of child support, which is calculated by applying a mathematical formula to the parents' incomes, is presumptively correct." (*In re Marriage of Williams* (2007) 150 Cal.App.4th 1221, 1237.) Courts recognize that it is inconsistent for a payee parent to accept direct, in-kind support from a payor parent in the context of
