26-PRO-00164	Guardianship of Cristian Brayan Perpuac Osorio	
Line 14, 15	Petitioner: Perpuac Osorio, Cristian Brayan (WEINTRAUB, CLAIRE E.) Ward: Perpuac Osorio, Cristian Brayan Proposed Guardian: Imul Pu, Florencio Avelino	Appointment of Conservator for Person Petition for Special Immigrant Juvenile Findings

Tentative Ruling:

NO APPEARANCE

The matters are continued to September 14, 2026 at 9:00 a.m. for petitioner to provide proof that he is enrolled in public school, as is required under Education Code 48200. Moreover, the Court would like further explanation as to why the petitioner seeks to only have a guardian appointed until his 18th birthday, which is a mere two months away. If his declaration is to be accepted as truthful, and that of his proposed guardian, it would seem that having a guardian provide a safe environment and provide for him financially for only two months does not accomplish much. Finally, the petition for SIJF does not support a finding of neglect by either parent, nor does it support a finding of abandonment by his mother. By his own account, he unilaterally elected to work in the fields beginning at age 14, and he unilaterally chose to leave his mother and travel to the United States. Finally, it does not support a basis for finding that it is not in the ward's best interest to be returned to his country of nationality or last habitual residence. Petitioner is invited to submit an amended declaration in an effort to provide sufficient evidence to the court.
