**BLACKLOCK v. FCA US, LLC and FUTURE CHRYSLER DODGE
JEEP RAM OF FAIRFIELD
CU25-05287**

Plaintiff's Motion to Compel Initial Disclosures

TENATIVE RULING

Plaintiff JAMES W. BLACKLOCK moves to compel Defendant FCA US, LLC to provide initial discovery mandated by Code of Civil Procedure section 871.26.

Defendant states that it provided responsive documents on December 3, 2025, within sixty days of the filing of its answer in this matter on October 7, 2025. Plaintiff states that the documents do not constitute an effective response because they were unaccompanied by formal verifications. Section 871.26 does not contain a provision requiring that the initial disclosures it compels be accompanied by formal verifications. Plaintiff does not specify in what ways the initial disclosures are otherwise insufficient.

Plaintiff's motion is denied.

**IN RE THE ESTATE OF VIVIAN TILSON, DECEASED
PR24-00179**

Waiver of First and Final Account; Report of Status of Administration and Petition for Settlement Thereof; for Allowance of Statutory Attorneys' Compensation; and for Final Distribution (Probate Code §§ 1060 et. seq., 10800, 10810, 10811, 12201)

PREGRANT ORDER

The court on its own motion continues this hearing to September 9, 2026 at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. The petitioner was appointed on April 26, 2024 and the required bond was posted May 31, 2024, but Letters were not issued until February 26, 2025. The petitioner shall explain her failure to obtain her Letters for 9 months.
2. Pursuant to Probate Code section 12200(a), a personal representative is to file either a petition for final distribution or a status report within one year of the date letters are issued if no estate tax return is required, and within eighteen months of the date letters are issued if an estate tax return is required. Here, letters were issued on February 26, 2025. As the estate is of an insufficient size to require an estate tax return, the petition for

final distribution or a status report was due by February 26, 2026. No petition was filed until May 26, 2026. Additionally, as the Letters could have been obtained on May 31, 2024, the petition for final distribution would have been due by May 31, 2025. There is no explanation given for the failure to file status reports as required once it became clear that a petition for final distribution could not be timely filed.

3. Petition, item 5: The home was valued at \$770,000, but sold for \$650,000 which is less than 90% of the appraised value (Probate Code § 10004(c)). The petitioner must clarify how this was in the best interests of the estate and the heirs.

4. Petition, item 20: The amount of cash on hand is not stated and no supplement has been filed to show the amount of cash on hand.

5. Petition, item 25: A petition for final distribution must provide the detailed description and value of the estate to be distributed. (Solano County Local Rules, Rule 7.66(b).) Stating that the estate is to be distributed in equal shares to each heir is insufficient.

PR25-00079**

Petition for Final Distribution of Decedent's Estate: Waiver of Accounting, Waiver of Statutory Representative Fees, Waiver of Reserve, Request for Order of Distribution, and Order of Payment of Statutory Fees to Attorney

PREGRANT ORDER

The court on its own motion continues this hearing to September 16, 2026 at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. There is no Proof of Service on file showing all those entitled to notice have received it per Probate Code section 11601.
2. The Waiver of Accounting signed by Brent Lockwood states that he is the court-appointed personal representative of the estate of a deceased heir or beneficiary entitled to receive assets from this estate. No copies of his Letters were attached to the Waiver, and it is unclear which estate will receive assets from this estate.
3. Petition, item 16: No copy of the seller's settlement statement is attached. (Prob. Code § 10901.)
4. There is a difference in the amounts to be distributed to the heirs between the body of the petition (\$32,728.71 to each) and the prayer (\$29,551.09). The petitioners shall explain.
