**IN RE THE ESTATE OF VIVIAN TILSON, DECEASED
PR24-00179**

Waiver of First and Final Account; Report of Status of Administration and Petition for Settlement Thereof; for Allowance of Statutory Attorneys' Compensation; and for Final Distribution (Probate Code §§ 1060 et. seq., 10800, 10810, 10811, 12201)

PREGRANT ORDER

The court on its own motion continues this hearing to September 9, 2026 at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. The petitioner was appointed on April 26, 2024 and the required bond was posted May 31, 2024, but Letters were not issued until February 26, 2025. The petitioner shall explain her failure to obtain her Letters for 9 months.
2. Pursuant to Probate Code section 12200(a), a personal representative is to file either a petition for final distribution or a status report within one year of the date letters are issued if no estate tax return is required, and within eighteen months of the date letters are issued if an estate tax return is required. Here, letters were issued on February 26, 2025. As the estate is of an insufficient size to require an estate tax return, the petition for

final distribution or a status report was due by February 26, 2026. No petition was filed until May 26, 2026. Additionally, as the Letters could have been obtained on May 31, 2024, the petition for final distribution would have been due by May 31, 2025. There is no explanation given for the failure to file status reports as required once it became clear that a petition for final distribution could not be timely filed.

3. Petition, item 5: The home was valued at \$770,000, but sold for \$650,000 which is less than 90% of the appraised value (Probate Code § 10004(c)). The petitioner must clarify how this was in the best interests of the estate and the heirs.

4. Petition, item 20: The amount of cash on hand is not stated and no supplement has been filed to show the amount of cash on hand.

5. Petition, item 25: A petition for final distribution must provide the detailed description and value of the estate to be distributed. (Solano County Local Rules, Rule 7.66(b).) Stating that the estate is to be distributed in equal shares to each heir is insufficient.
