

final distribution or a status report was due by February 26, 2026. No petition was filed until May 26, 2026. Additionally, as the Letters could have been obtained on May 31, 2024, the petition for final distribution would have been due by May 31, 2025. There is no explanation given for the failure to file status reports as required once it became clear that a petition for final distribution could not be timely filed.

3. Petition, item 5: The home was valued at \$770,000, but sold for \$650,000 which is less than 90% of the appraised value (Probate Code § 10004(c)). The petitioner must clarify how this was in the best interests of the estate and the heirs.

4. Petition, item 20: The amount of cash on hand is not stated and no supplement has been filed to show the amount of cash on hand.

5. Petition, item 25: A petition for final distribution must provide the detailed description and value of the estate to be distributed. (Solano County Local Rules, Rule 7.66(b).) Stating that the estate is to be distributed in equal shares to each heir is insufficient.
