County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: Preliminarily, the Court notes that Defendant Northeast Territories Patterson, LLC has now been dismissed from the action; therefore, the demurrer is MOOT as to that defendant. In addition, the Court takes judicial notice of Defendant VOP 2.1, LLC’s current suspended status in the State of California and defers ruling on the demurrer as to that Defendant at this time, subject to submission of revivor. As to all other moving defendants, the Court finds that the First Amended Complaint alleges sufficient factual support for the stated claims against them, including the alter ego allegations which form a substantial basis for such claims.
