

GUARDIANSHIP OF LANDON DODD

CASE NUMBER: 26PG-0033348

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's grandmother and aunt, Meshell Spain and Angelique Spain. Letters of Temporary Guardianship were not requested.

The Court previously determined the matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Petition indicates the child is not an Indian child. If Petitioners have reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court previously noted that confidential proceedings were pending in the State of Arizona. A UCCJEA conference was held with a judicial officer from Maricopa County, Arizona on August 20, 2026, in which the Courts determined that California shall keep jurisdiction over the minor. A memorandum from Family Court Services received on September 8, 2026, confirms that the Superior Court of Arizona ceded jurisdiction to the State of California.

The Court has reviewed and considered the Court Investigator's report filed May 13, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardians are suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardians' discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. The Court reminds the Guardians they are responsible for maintaining a current address on file with the Court at all times. **No appearance is necessary on today's calendar.**
