

GUARDIANSHIP OF KOLTON LIPSKI

CASE NUMBER: 26PG-0033402

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person filed by the minor's aunt, Tera Hughes, and a Petition for Appointment of a Co-Guardian of the Person filed by the minor's grandmother, Deborah Duccini. Letters of Temporary Guardianship were issued to Tera Hughes on May 22, 2026, and to Deborah Duccini as Co-Guardian on June 15, 2026, and are set to expire today unless further extended.

Hughes Petition. The father has been personally served. Proof of service has been filed for the maternal grandfather and paternal grandmother. The matter has been properly noticed. The mother previously filed an objection.

Duccini Petition. The Court previously determined the matter has been properly noticed. Tera Hughes previously filed an objection.

The Court has reviewed the Court Investigator's reports filed June 25, 2026 and July 14, 2026, which recommends granting both Petitions. The court notes that there was no joint petition to be appointed co-guardians, and the ability of the two co-guardians to act jointly is questionable. Attorney Tescher was previously appointed as counsel for the minor. The Petitions indicate the minor is not an Indian child. If Petitioners have reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage. **An appearance is necessary on today's calendar for setting of a contested hearing. The temporary guardians are ordered to comply with the following orders pending the contested hearing: Visitation with parents (both father and mother) must be supervised at all times. Parents may not drive with minor child in the car and may not pick up children from school unless a guardian is present and providing transportation. Neither guardian shall talk negatively about the other guardian and neither guardian shall make any promises about the minor's future placement.**
