2025PRCE037175: IN THE MATTER OF ERIC JAY OLSEN

09/22/2026 in Department J6

Account and Report

Deficiencies

- It does not appear that supporting documents, such as care facility plan, have been filed as of 9/16/26. (Prob. Code, § 2620, subd. (c).)
- Category on Schedule C states "Conservatee's Credit Card" total of \$14,777.44. What were these charges for? Explanation needed.
- Payment to family members for caregiving and for transportation. CRC Rule 7.1059 (a)(4) statement needed. Rate of pay? Hours worked?
- 4/16/25 payment to Marna Tueller for \$2,050.09 for "Food and Gasoline" under caregiving. Explanation needed.
- 3/12/25 Reimbursement of \$3,037.47 to Wendy Sirman for "Work Hours Missed." Not reimbursable costs.
- Approximately \$8,000.00 reimbursement to Wendy Sirman for "Living Expenses" for Jay and Josie. More explanation needed.
- Reimbursement request to Tom, further explanation needed:
 - o All transportation costs, vague as to who or what costs are for. Steve Sirman \$1,000?
 - o "Food" for who? Context? Was it for benefit of conservator?
 - o Residence Inn \$456.30
 - o Numerous Zelle payments to Marina
- Transportation Costs: Discussion of separate transportation invoice to be prepared detailing all transportation costs.
 - o \$2,5000 to Steve Sirman for Eric and Josie on 3/25/25, what was payment for?
 - o \$390 to Par Sirman for Jay \$390, what was payment for?

- Many of the costs of Tom's reimbursement are for travel, need to be explained
 - Reimbursements to Wendy for fuel, flights for Chris and Wendy, etc.
- Discussion of Conservator's rate.
- Attorney's fee request does not appear to include \$3,930.88 payment from Wendy Sirman. Explanation needed.
- Discussion of bond amount: Current bond of \$789,000.00 (\$400,000.00 for sale of house). Requests new total bond of \$755,000.00 based on Assets on hand of \$269,139.15 and annual income of \$15,000.00. Bond calculator with those amounts is \$312,552.90, exclusive of \$400,000.00 for real property, which would be a total of \$712,552.90. However, the assets on hand of \$269,139.15 is based on carry value of \$969,139.16 minus \$700,000.00 in real property carry value. If based on FMV of assets of \$962,133.84 minus \$677,000.00 for real property, total of FMV of assets on hand is \$285,133.84. Bond calculator for Assets of \$285,133.84 and annual income of \$14,000.00 is \$330,147.22. With \$400,000.00 for real property total of \$730,147.22 in bond.

Subject to discussion of above issue, the Court intends to order that Conservator file a verified supplement addressing the deficiencies and including omnibus request for fees. Omnibus request to provide separate fee requests, including attorney fees already paid, by case.

The Court intends to continue this hearing to 12/15/26 to be heard concurrently with the related cases: (i) Conservatorship of Josephine Miae Olsen (2025PRLP037783) and (ii) Guardianship of Jay Wheeler (2025PRGE040016- hearing currently scheduled for termination). Conservator to file the omnibus request for fees in related cases with hearing date of 12/15/26. Omnibus request to include request to have amounts paid out of the assets of the conservatorship estate of Eric Jay Olsen. Conservator to provide notice of hearing in related cases as required.
