**Tentative Ruling:****APPEARANCE ORDERED**

The Court strikes Objector's "REPLY BRIEF TO ADMINISTRATOR'S REPLY TO OBJECTIONS", filed 8/19/26. Unless ordered by the Court, parties are not entitled to file reply briefs to reply briefs. Petitioner has filed an Amended Reply to Objections. Parties to appear to discuss trial setting. Objector has asked for affirmative relief in the form of removal of the administrator, but doing so in an objection is not appropriate. If that is something objector seeks, she should file a petition. The only petition pending for determination is that of the administrator seeking approval of first account and final distribution, along with fees.
