

As it relates to the Petition filed by Terry G. Tillmon-Moore:

Petition, item 8: The predeceased child's name and date of death must be provided. (Solano County Local Rules, Rule 7.51(b).)

As it relates to the Objection filed by Derick Golden:

The Objection states that the Petitioner, Terry Tillmon-Moore was not the named successor trustee. However, the attached copy of the trust names both petitioners as successor trustees in paragraph 9, which conflicts with paragraph 3. The Objection also seeks relief related to the decedent's alleged trust and trust assets which are not before the court. Disputes related to trusts require different types of notice and have their own procedure under Probate statutes. (Prob. Code §§17203 & 17200, et seq.)

**IN RE THE ESTATE OF BRIAN THOMAS LUM, DECEASED
PR26-00394**

Petition for Letters of Administration and for Authorization to Administer Under the Independent Administration of Estates Act

PREGRANT ORDER

The court continued this matter to allow the petitioner to address the issues with the petition. Nothing has been filed since the last hearing date.

The court on its own motion continues this hearing to October 1, 2026, at 9:30 a.m. in Department 22. Pending the continued hearing the petitioner shall resolve the following issue:

Petition, item 8: The petition states that the decedent is "survived by the issue of deceased parents, all of whom are listed in item 8." Only one person is listed in item 8. The declaration filed July 30, 2026 did not list the names and dates of death of the deceased parents and siblings. The declaration filed on August 25, 2026 also did not provide sufficient information or specific efforts of attempting to locate the missing information. In addition, the declaration was not verified by the petitioner who is seeking to be appointed as fiduciary. The names and dates of death of the deceased parents and the deceased siblings must be listed and the declaration must be verified. Therefore, this issue remains unresolved.
