Miguel Angel Torres v. BMW Of North America, LLC

TENTATIVE RULING

Defendant BMW of North America, LLC's Motion to Compel the Deposition of Plaintiff Miguel Angel Torres is taken OFF CALENDAR as MOOT.

Motion to Compel Deposition of Plaintiff

Defendant BMW of North America, LLC's Motion to Compel the Deposition of Plaintiff Miguel Angel Torres is taken OFF CALENDAR as MOOT. The discovery dispute underlying this motion – Defendant's inability to secure a date for Plaintiff's deposition – was resolved at the Informal Discovery Conference held before this Court on May 1, 2026. As reflected in the Court's May 1, 2026 Minute Order, the parties represented that they had resolved their discovery issues and stipulated to deposition and vehicle inspection dates. Pursuant to that stipulation, the Court ordered that Plaintiff's deposition take place on May 20, 2026, and set a vehicle inspection deadline of October 31, 2026, with any violation of the order subject to sanctions under Code of Civil Procedure section 177.5. Because the relief sought by this motion an order has already been afforded by the Court's May 1, 2026 order, the motion is moot and is hereby placed off calendar.

Parties who intend to submit on this tentative must send an email to the Court at indicating intention to submit on the tentative, and copying all parties in the email communication. Please be advised that if you submit on the tentative and elect not to appear at the hearing, the opposing party may nevertheless appear at the hearing and argue the matter. Unless you receive a submission from all other parties in the matter, you should assume that others might appear at the hearing to argue. If the Court does not receive emails from the parties indicating submission on this tentative ruling and there are no appearances at the hearing, the Court will adopt the tentative as the final order, or take the matter off calendar at its discretion.
