Case Number: 25LBCV01093 Hearing Date: July 2, 2026 Dept: S27

William A. Miller seeks permission to appear pro hac vice to represent Plaintiff. The application satisfies CRC

9.40. The application is denied, however, due to service issues. The proof of service indicates the application has been served on the parties to the action. CRC 9.40(c)(1) requires proof of service on all parties who have appeared in the action and on the State Bar. Mark James Miller declares the State Bar was served with "a copy of this declaration and the application," but this is not the same as proof of service on the State Bar, which is required by the Rules of Court.

Plaintiff is ordered to give notice.

Parties who intend to submit on this tentative must send an email to the court at indicating intention to submit on the tentative as directed by the instructions provided on the court website at www.lacourt.org. If the department does not receive an email indicating the parties are submitting on the tentative and there are no appearances at the hearing, the motion may be placed off calendar. If a party submits on the tentative, the party's email must include the case number and must identify the party submitting on the tentative.
