Motion for Protective Order Staying Discovery

MOTIONS

Defendant Gabriel

Pope ("Defendant") moves for a protective order staying discovery. Defendant Skylar Vincent joins the motion. In its April 27, 2026 order, the Court continued the matter to June 4, 2026 for Defendant to provide proof of service of this motion on all parties in this case. Defendant filed a proof of service on May 11, 2026.

The proof of

service states Defendant served "[t]he documents listed in item 2" on Robert Gentino. The proof of service does not state on whose behalf Defendant served Robert Gentino. Further, item 2 of the proof of service states, "[t]he documents served are listed in an attachment." There is no attachment to the proof of service. (See Proof of Service, filed May 11, 2026.) Thus, the proof of service is incomplete.

Accordingly, on

June 4, 2026, the Court again continued the matter to this date for Defendant to give proper notice to all parties in this action. The Court directed Defendant to re-serve the motion and file a complete proof of service. Defendant has not done so.

The Court notes Defendant

Skylar Vincent, on June 10, 2026, appears to have filed a proof of service of the Court's June 4, 2026 order, but he did not file a proof of service of the motion itself. Accordingly, the motion is denied without prejudice to its renewal, as the Court has previously directed.

Defendant is

ordered to provide notice of the Court's ruling and to file proof of service of same.
