

3. Petition, item 17: The specific details of the proposed distribution must be provided. A description by reference to the inventory in percentages is not acceptable. (Local Rule 7.66(b).) It is unknown if the distribution is cash, personal property, real property, in whole or in part, and how much will be distributed in detail before or after the fees and costs. The inventory and appraisal shows that the estate had on half interest of real property, but the declaration included in the petition states that the estate recovered \$75,000 cash from the litigation settlement. The petitioner shall clarify if the estate holds cash or interest in real property.
4. Extraordinary Attorney Compensation: Extraordinary compensation “is within the discretion of the court” and the court may allow extraordinary compensation in an amount the court determines just and reasonable. (Cal. Rules of Court, Rule 7.703 (a); Prob. Code §10811(a).) The request for extraordinary attorney’s fees does not comply with California Rules of Court, Rule 7.702. There were also no invoices attached the attorney’s declaration as indicated in the petition. Billing statements are not sufficient to support extraordinary fees. (Solano County Local Rules, Rule 7.64a.)
5. The Notice of Hearing filed on July 13, 2026 includes a different name than the petitioner. The petitioner shall clarify and file and serve an amended notice, if necessary to provide proper notice.
6. The court notes that in a related matter, Solano Superior Court, Case Number FCS059553 *Brayton Purcell, LLP v. Betty Wadley, et al.*, the petitioner was to receive a settlement on behalf of the decedent’s estate and inventory the proceeds. The petitioner shall explain what happened to the proceeds from that case.
