

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**201900527594PRTR: In Re The Shiro J. Mikasa Living Trust Dated 12.15.14
09/23/2026 in Department J6
Account and Report and Accepting Resignation of Current Trustee**

The court intends to:

Approve the Seventh Account and Report. Approve Laura Viets' resignation as trustee.

Discuss appointment of Public Administrator, or alternative independent third party as trustee.

The court accepts the resignation of Laura Viets as agent-in-fact under the Durable Power of Attorney and agent under Healthcare Directive.

The court denies the request to appoint a successor agent-in-fact under to the Durable Power of Attorney. Petitioner has provided no authority that she, as the named agent-in-fact, has the power to name a successor. The document appears to fail.

Deny the request to authorize the principal's estate planning attorney to draft a New Advanced Healthcare Directive.

If the principal requires new estate planning documents, it appears a conservatorship will be required and a petition for substituted judgment pursuant to Probate Code section 2580 may then be filed.
