REQUEST FOR ORDER RE CHANGE OF CHILD SUPPORT, ATTORNEY FEES AND COSTS,
ENFORCEMENT/MODIFICATION OF JUDGMENT

TENTATIVE RULING

Having read and considered the pleadings, declarations, and other evidence submitted in this matter, the
Court makes the following findings and orders:

A. Procedural History

- 1) The parties are Petitioner Alison Sonsini and Respondent Alex Turner.
- 2) On 3/20/18, Judgment on Reserved Issues was entered.
- 3) On 7/14/25, Petitioner filed and served a Request for Production of an Income and Expense Declaration After Judgment.
- 4) On 12/8/25, Petitioner filed an Income and Expense Declaration.
- 5) On 12/16/25, Petitioner filed a Request for Order and supportive declaration (file dated 12/8/25) seeking: (a) judgment enforcement of section 5.4 (of the Judgment on Reserved Issues) which requires Respondent to pay one-half of the children's uninsured medical and dental expenses, including therapy and counseling, in excess of \$5,000 per year from the date of judgment, with Respondent responsible for fees and costs to retain a joint neutral accountant to determine the amount owed; (b) modification of child support add-on expenses such that each party is responsible for one-half of the children's uninsured medical and dental expenses, including

1 therapy and counseling, and mutually agreed-upon extracurricular expenses moving forward (see
2 section 5.4 and section 5.6 of the Judgment on Reserved Issues); (c) Respondent to pay guideline
3 child support in the amount of \$2,576 per month retroactive to 11/1/25 (pursuant to a signed
4 Stipulation and Order (see Exhibit D)); and (d) \$11,600 in attorney's fees and costs pursuant to
5 section 10.2 of the Judgment on Reserved Issues and Family Code section 2030 and section 271.
6 Petitioner asserts that Respondent was a writer earning no income at the time judgment was
7 entered and now works as a Strategic ISV Specialist at Google, where he has worked since
8 September 2020 (see Exhibit B). Petitioner further asserts that Respondent's 2024 tax return
9 showed a total annual income of \$520,736 including interest and dividends. Petitioner attached as
10 Exhibit C a proposed XSpouse calculation.

- 11 6) On 12/23/25, Petitioner filed a Proof of Personal Service indicating Respondent was served with
12 Petitioner's Request for Order and supportive documents on 12/18/25.
- 13 7) Respondent did not file a Responsive Declaration.
- 14 8) At the prior 3/17/26 hearing, the Court adopted its Tentative Ruling on the basis that no timely
15 objection was received. See Findings and Order After Hearing (FOAH) filed 4/1/26.
- 16 9) On 3/23/26, Petitioner filed an Ex Parte Request for Order requesting the Court vacate the
17 3/17/26 FOAH (filed 4/1/26) and set the Request for Order filed 12/16/25 for hearing on 5/14/26.
- 18 10) On 3/23/26, Respondent filed a Responsive Declaration to Petitioner's Ex Parte Request for
19 Order consenting to the request for the Court vacate to the 3/17/26 FOAH (filed 4/1/26) and set
20 the Request for Order filed 12/16/25 for hearing on 5/14/26.
- 21 11) On 3/23/26, the Court issued Temporary Emergency (Ex Parte) Orders vacating the 3/17/26
22 FOAH (filed 4/1/26) and setting the Request for Order filed 12/16/25 for hearing on 5/14/26.
- 23 12) No additional pleadings were filed by either party.

24 **B. Findings and Order**

- 25 1) The Court confirms that under section 5.4 of the Judgment on Reserved Issues filed 3/20/18,
26 Respondent is responsible for one-half of the children's uninsured medical and dental expenses,
27 including therapy and counseling, in excess of \$5,000 per year from the date of judgment. Section
28 5.4 states, "The parties shall comply with the Notice of Rights and Responsibilities Healthcare
29 Costs and Reimbursement Procedures attached hereto and incorporated herein by this reference."

- 2) The Court was not presented with documentary evidence that Petitioner complied with the procedure set forth in the Notice of Rights and Responsibilities Healthcare Costs and Reimbursement Procedures (i.e., form FL-192) requiring Petitioner to present Respondent itemized notice within 90 days of incurring costs and proof of payment.
- 3) Accordingly, Petitioner's request for judgment enforcement of section 5.4 of the Judgment on Reserved Issues which requires Respondent to pay one-half of the children's uninsured medical and dental expenses, including therapy and counseling, in excess of \$5,000 per year from the date of judgment, with Respondent responsible for fees and costs to retain a joint neutral accountant to determine the amount owed is DENIED.
- 4) Petitioner's request for modification of child support add-on expenses such that each party is responsible for one-half of the children's uninsured medical and dental expenses, including therapy and counseling, and mutually agreed-upon extracurricular expenses moving forward is GRANTED.
- 5) Moving forward, the parties shall share equally the following add-on expenses: childcare costs related to employment or to reasonably necessary education or training for employment skills, reasonable uninsured healthcare costs for the minor child, and the reasonable costs associated with mutually agreed upon extracurricular activities. Neither party shall unreasonably withhold consent for a child to participate in an activity. The procedure to make or pay a reimbursement claim for these child support add-ons shall be as set forth in the Notice of Rights and Responsibilities Healthcare Costs and Reimbursement Procedures (i.e., form FL-192).
- 6) Petitioner's request for Respondent to pay guideline child support in the amount of \$2,576 per month retroactive to 11/1/25 (pursuant to a signed Stipulation and Order (see Exhibit D of Petitioner's 12/16/25 Request for Order)) is GRANTED.
- 7) The Court finds: (a) a material change in circumstances warranting a modification of section 5.1 (which states neither party shall pay child support to the other party) based on Petitioner's unrefuted assertion that Respondent was a writer earning no income at the time judgment was entered but now works as a Strategic ISV Specialist at Google and earned a total income of \$520,736 including interest and dividends per his 2024 tax returns; and (b) Exhibit D of

Petitioner's 12/16/25 Request for Order is a signed Stipulation and Order wherein the parties agree to retroactive modification of child support to 11/1/25.

8) The Court further finds good cause to adopt Petitioner's XSpouse calculation attached as Exhibit C to Petitioner's 12/16/25 Request for Order, which is attached hereto and incorporated herein.

9) As such, effective 11/1/25, Respondent owes Petitioner \$2,576 per month in guideline monthly child support by the 1st of every month.

10) Respondent owes Petitioner \$18,032 in guideline monthly child support arrears for the period of 11/1/25 – 5/31/26 ($\$2,576 \times 7$). Respondent shall pay this balance in full by 6/14/26.

11) Petitioner's request for \$11,600 in attorney's fees and costs pursuant to section 10.2 of the parties' judgment is GRANTED.

12) Section 10.2 states, " In the event that either Party takes any action against the other Party regarding this Agreement and the Court finds that the Party bringing the action had no reasonable purpose for bringing the action, then the Party in whose favor the action is determined shall be entitled to receive from the other Party such reasonable attorney's fees And costs in respect of said action and all litigation costs such as expert witness fees, depositions and other costs of discovery and the like shall be fixed by the Court. No action shall be brought by either Party hereto without at least a period of then (10) days written notice being given by the Party intending to bring such action."

13) Respondent shall pay the \$11,600 attorney's fees balance in full by 7/14/26.

14) Counsel for Petitioner shall prepare the Findings and Order After Hearing and include as attachments form FL-342 and form FL-192.

15) **Preparation of Order:** If you are directed by the court to prepare the order after hearing – within 10 calendar days of the hearing you must either: (a) Serve the proposed order to the other party/counsel for approval, and follow the procedures set forth in CA Rules of Court, Rule 5.125(c), or (b) If the other party did not appear or the matter was uncontested, submit the proposed order after hearing directly to the court. Failure to submit the order after hearing within 10 days may allow the other party to prepare a proposed order and submit it to the court in accordance with CA Rules of Court, Rule 5.125(d).

REQUEST FOR ORDER RE: ISSUE WRIT OF EXECUTION

TENTATIVE RULING

Having read and considered the pleadings, declarations, and other evidence submitted in this matter, the Court makes the following findings and orders:

A. Procedural History

- 1) The parties are Petitioner Keith Richardson and Respondent Lachon Richardson.
- 2) On 2/28/25, the Court entered judgment, which includes a provision for Petitioner to pay Respondent \$160,000 total in \$3,500 monthly payments due on the 1st of each month until the balance is paid in full. This provision is contingent on Petitioner's accounting documents showing that business earnings from Keith's Chicken and Waffles were no greater than 5% above \$100,000 annually for 2023, and Petitioner was to provide the accounting paperwork within 30 days.
- 3) On 12/17/25, Petitioner filed a Request for Order seeking to set aside judgment under Code of Civil Procedure section 473 and Family Code section 2122. Petitioner asserts that he lacks the ability to comply with the payment terms of the judgment because his income is generated from a small business with limited liquid funds. Petitioner further asserts the Court relied on false information when entering judgment because Respondent represented that she has a \$3,000

1 monthly rent obligation despite living with her parents rent free. Petitioner states the motion is
2 based on, “actual fraud, perjury, failure to disclose material facts, and attorney abandonment.”

3 4) On 2/23/26, Respondent filed a Motion to Strike Petitioner’s Request for Order pursuant to Code
4 of Civil Procedure section 436. Respondent’s request is based on a lack of supporting documents
5 and sufficient facts and lack of proper service under Code of Civil Procedure section 1010 and
6 California Rules of Court, rule 5.92(b)(1). Attached to Respondent’s Motion to Strike are the
7 documents with which Respondent was served, and Petitioner’s supportive declaration (which
8 was filed with the Court) is not attached.

9 5) At the prior 3/3/26 hearing, the Court made a finding of good cause to continue the hearing to
10 7/7/26 at 9 AM in Dept. 403 for proper service to be effectuated and ordered as follows:

11 a. The Court declines to exercise its discretion under Code of Civil Procedure section 436;
12 Respondent’s Motion to Strike is therefore DENIED.

13 b. At least 16 Court days prior to the next hearing date, Petitioner shall reserve on
14 Respondent the 12/17/25 Request for Order and supportive declaration using a service
15 method authorized by the Code of Civil Procedure and then file form FL-335 (Proof of
16 Service) with the Court confirming service was effectuated.

17 c. At least 9 Court days prior to the next hearing date, Respondent may file a Responsive
18 Declaration.

19 d. At least 5 Court days prior to the next hearing date, Petitioner may file and serve a Reply
20 Declaration.

21 6) On 3/3/26, Respondent filed a Request for Order seeking a Writ of Execution. Respondent
22 requests the Court issue Writ of Execution to permit collection on the judgment entered 2/28/25.
23 Respondent attached a proposed Writ of Execution as Exhibit A to the Request for Order, which
24 indicates the total amount due is \$190,155.07.

25 7) On 3/12/26, Respondent filed a Proof of Service by First-Class Mail – Civil indicating that the
26 Request for Order and supportive pleadings were served on Petitioner on 3/12/26.

27 **B. Findings and Order**

28 1) The Court finds good cause to **continue Respondent’s 3/3/26 Request for Order** (seeking a
29 Writ of Execution to permit collection on the judgment entered 2/28/25) **to 7/7/26 at 9 AM in**

1 **Dept. 403** to be heard on the same date as Petitioner's 12/17/25 Request for Order (seeking to set
2 aside the judgment under Code of Civil Procedure section 473 and Family Code section 2122).

3 2) Counsel for Respondent shall prepare the Findings and Order After Hearing.

4 3) **Preparation of Order:** If you are directed by the court to prepare the order after hearing – within
5 10 calendar days of the hearing you must either: (a) Serve the proposed order to the other
6 party/counsel for approval, and follow the procedures set forth in CA Rules of Court, Rule
7 5.125(c), or (b) If the other party did not appear or the matter was uncontested, submit the
8 proposed order after hearing directly to the court. Failure to submit the order after hearing within
9 10 days may allow the other party to prepare a proposed order and submit it to the court in
10 accordance with CA Rules of Court, Rule 5.125(d).

REQUEST FOR ORDER: FC271 SANCTIONS

TENTATIVE RULING

Having read and considered the pleadings, declarations, and other evidence submitted in this matter, the Court makes the following findings and orders:

A. Procedural History

- 1) The parties are Petitioner Jesse Koniuk and Respondent Rachel M. Koniuk (Rachel Gelb).
- 2) On 1/12/26, Respondent filed a Request for Order seeking \$25,000 in Family Code section 271 sanctions. Respondent asserts that Petitioner has repeatedly violated the Court's prior custody/visitation and financial orders. Respondent alleges uncooperative behavior by Petitioner that is not indicative of an intent to co-parent. Respondent also alleges conduct by Petitioner that is delaying the dissolution process. Respondent attaches text messages and Talking Parents communications. The matter was set for hearing on 4/7/26.
- 3) On 3/26/26, the parties filed a Stipulation and Order continuing the hearing from 4/7/26 to 5/14/26.
- 4) On 4/29/26, Petitioner filed a Responsive declaration and supportive pleading in opposition to Respondent's Request for Order. Petitioner asserts that Respondent's sanctions request lacks merit and is duplicative because (a) Respondent filed three attorney's fees requests in the past seven months and four "frivolous" custody motions and (b) the Request for Order does not

1 include a description of the attorney's fees and costs Respondent incurred. Petitioner provides
2 defenses to each allegation of violations of the Court's prior custody/visitation and financial
3 orders that Respondent raised and attached prior Court orders in support of his defenses.
4 Petitioner requests reimbursement of \$2,838 in the form of attorney's fees sanctions for costs
5 incurred responding to the Request for Order.

6 5) On 4/29/26, Petitioner filed a Memorandum of Points and Authorities.

7 **B. Findings and Order**

- 8 1) Respondent's request for \$25,000 in Family Code section 271 sanctions is DENIED. The Court
9 cannot find that Petitioner's conduct has frustrated the policy of the law to promote settlement
10 and reduce the cost of litigation by encouraging cooperation between the parties.
- 11 2) Petitioner's request for reimbursement of \$2,838 in the form of attorney's fees sanctions for costs
12 incurred responding to the Request for Order is DENIED as the Court does not have updated
13 information regarding Respondent's income and assets, which is needed to evaluate whether
14 granting such a request imposes an unreasonable financial burden on Respondent.
- 15 3) The Court will prepare the Findings and Order After Hearing.

21 **B. Findings and Order**

- 22 1) Respondent's request for child support is GRANTED in accordance with the XSpouse report
23 attached hereto and incorporated herein. Child support in the amount of \$2691.00 per month,
24 payable by Petitioner to Respondent, shall commence on June 1, 2026. The Court finds Petitioner
25 paid direct support for the minor children from date of separation to the present; therefore, the
26 Court DENIES Respondent's request to set child support retroactive to November 7, 2025.
- 27 2) Respondent's request for spousal support is GRANTED in accordance with the XSpouse report
28 attached hereto and incorporated herein. Spousal support in the amount of \$2852.00 per month,
29 payable by Petitioner to Respondent, shall commence on June 1, 2026. The Court finds Petitioner

1 paid direct support to Respondent from the date of separation to the present; therefore, the Court
2 DENIES Respondent's request that spousal support be retroactive to the date she filed her
3 Request for Order (i.e., February 4, 2026).

4 3) In addition to the child support and spousal support amounts set forth above, Petitioner shall pay
5 Respondent bonus child and spousal support pursuant to the Smith/Ostler bonus table attached to
6 the XSpouse report. Bonus support shall be paid within 10 days of receipt of any bonus amount
7 by Petitioner.

8 4) Both parties shall split any unreimbursed medical costs and childcare costs related to employment
9 with 60% allocated to Petitioner and 40% allocated to Respondent.

10 5) In light of the child and spousal support orders made herein, Petitioner is prohibited from seeking
11 *Watts* charges and *Epstein* credits from Respondent for her exclusive use and possession of the
12 family home from the date of separation through May 31, 2026.

13 6) Respondent's request for Family Code section 2030 attorney's fees and costs is GRANTED in the
14 amount of \$35000.00. The Court finds there is a significant disparity of access to funds. The
15 Court further finds Respondent has need and that Petitioner has the ability to pay both parties fees
16 and costs. \$35000.00 is reasonable and necessary.

17 7) Petitioner's request that Respondent be given exclusive use and possession of the family
18 residence located at 466 19th Avenue, San Francisco, California 94121 is GRANTED.

19 8) Petitioner's Request that Respondent be ordered to pay the carrying costs associated with 466 19th

21 costs associated with her exclusive use and possession, the family home shall be placed on the

29 proposed order after hearing directly to the court. Failure to submit the order after hearing within

1 10 days may allow the other party to prepare a proposed order and submit it to the court in
2 accordance with CA Rules of Court, Rule 5.125(d).

REQUEST FOR ORDER FOR ATTORNEYS FEES AND COSTS

TENTATIVE RULING

Having read and considered the pleadings, declarations, and other evidence submitted in this matter, the Court makes the following findings and orders:

A. Procedural History

- 1) The parties are Petitioner Mark Patrick Longoria and Julie Anita Pinales.
- 2) On 12/3/25, the Court granted Respondent's Request to Renew Domestic Violence Restraining Order (DVRO). The Court renewed the restraining order previously issued on 10/29/20 for 5-years. See Order to Renew Domestic Violence Restraining Order filed 12/3/25.
- 3) On 12/16/25, Respondent filed a Request for Order seeking \$16,311.68 in Family Code section 6344 attorney's fees and costs. Respondent asserts she is the prevailing party in a 5-year DVRO. The matter was set for hearing on 3/12/26.
- 4) On 12/16/25, Respondent's attorney filed a declaration substantiating her request for \$16,311.68 in Family Code section 6344 attorney's fees and costs.
- 5) On 12/16/25, Respondent filed a supportive Memorandum of Points and Authorities asserting that Respondent is entitled to recover fees as the prevailing party unless Petitioner demonstrates inability to pay.

- 6) On 12/18/25, Respondent filed a Proof of Service by Mail and Proof of Electronic Service indicating Respondent's 12/16/25 Request for Order and supportive documents were served on Petitioner on 12/18/25.
- 7) On 3/5/26, Respondent filed a Reply Declaration asserting that Petitioner did not serve a Responsive Declaration. Respondent attached as Exhibit A an email wherein Petitioner acknowledges Respondent's 12/16/25 Request for Order.
- 8) Petitioner did not file a Responsive Declaration.
- 9) At the prior 3/12/26 hearing, the Court continued the matter to 5/14/26 at Petitioner's request due to a pending appeal. See Findings and Order After Hearing filed 3/12/26.
- 10) On 4/21/26, an Order Dismissing Appeal was filed.
- 11) On 5/4/26, Respondent filed a Supplemental Declaration, supportive attorney declaration, and Memorandum of Points and Authorities. Respondent asserts that Petitioner has the ability to pay based on his own representations to the Court that he is employed (see Exhibit A), which aligns with his public LinkedIn profile (see Exhibit B). Respondent further asserts that Petitioner's failure to disclose his income and expenses should not mean that he has met his burden to prove inability to pay. Respondent augments her request to \$22,006.68.

B. Findings and Order

- 1) The Court finds Respondent was the prevailing party in the DVRO matter at issue, so Respondent's request for attorney's fees and costs under Family Code section 6344 is statutorily mandated; however, the Court must determine Petitioner's ability to pay, which is a required finding pursuant to 6344(c), prior to issuing an attorney's fee award.
- 2) The Court finds it is reasonably likely that Petitioner has the ability to pay based on the information Respondent provided to the Court and Petitioner's failure to provide any information at all regarding his income and expenses despite being provided ample time to do so.
- 3) When a party requests attorney's fees and costs, the court has authority to make ability-to-pay determinations based on the evidence before it. See *Alicia R. v. Timothy* (1994) 29 Cal App. 4th 1232, 1239.
- 4) As such, Respondent's request for \$22,006.68 in Family Code section 6344 attorney's fees and costs is GRANTED.

1 5) Effective 6/1/26, Petitioner shall pay \$1,000 a month by the 1st of every month until this balance
2 is paid in full.

3 6) Petitioner's attorney shall prepare the Findings and Order After Hearing.

4 7) **Preparation of Order:** If you are directed by the court to prepare the order after hearing – within
5 10 calendar days of the hearing you must either: (a) Serve the proposed order to the other
6 party/counsel for approval, and follow the procedures set forth in CA Rules of Court, Rule
7 5.125(c), or (b) If the other party did not appear or the matter was uncontested, submit the
8 proposed order after hearing directly to the court. Failure to submit the order after hearing within
9 10 days may allow the other party to prepare a proposed order and submit it to the court in
10 accordance with CA Rules of Court, Rule 5.125(d).
