Moorpark Investors LLC's Application For and Renewal of Judgment

HCR Moorpark Investors LLC has

filed an Application for and Renewal of Judgment. The Application seeks to have the Court enter

a renewed Judgment for \$34,544,502. While

the Court was initially informed that the Court could not process the

Application because of technical issues, the Court now understands the issue

stems from the math in the Application. The

Court rejects the pending Application.

The Court understands that the

renewed Judgment should be for \$21,237,007.47, calculated as follows:

1.

The original amount of judgment as entered

(based on 3rd amended judgment 2016) -Total Judgment: \$23,743,198.15

2.

Plus the costs that have been added to the

judgment pursuant to section 685.090. Costs after Judgment: \$177,621.25

3.

Subtract the credits/payments After Judgment:

\$18,875,000.00

4.

Plus the post-judgment interest that has

accrued: \$16,191,143.07

5.

Plus the fee for filing the application for

renewal: \$45

6.

Total= \$21,237,007.47 unsatisfied judgment

The Court will entertain argument

as to why its math is incorrect, else it will enter a renewed Judgment for \$21,237,007.47.
