ANALYSIS

Counsel

has filed forms MC-051 and MC-052 and has lodged with the Court a copy of the proposed order on form MC-053 as required. (Cal. Rules of Court, rule 3.1362.) Counsel states the instant motion is filed for the following reason: "Attorney and client have a conflict of interest that precludes further representation of the client. there [sic] has been a breakdown in the attorney client relationship that precludes further representation. Attorney is unable to represent client as a result of this breakdown and conflict. Due to the nature of the breakdown and conflict, attorney is precluded from disclosing the exact nature of the breakdown and conflict in this Declaration (California Rules of Professional Conduct 3-1700(A) - attorney withdrawal must not prejudice client) but will discuss the nature of the conflict with the Court if so required."

(MC-052.) The Court finds this is a valid reason to withdraw as counsel for Defendant. (See Rules Prof. Conduct, rule 1.16(b)(4).) ۞۞۞

Counsel must serve the signed order

(MC-053) within 10 days of the date of the order and file a proof of service confirming this service. Counsel will remain the attorney of record for Defendant until Counsel files the proof of service. ۞
(See Cal. Rules of Court, rule 3.1362(e).) ۞۞۞

RULING

Defendant's counsel's motion to be relieved as counsel is GRANTED on the terms set forth above.
