17. S-PR-0014061 In Re the Estate of Triolo, Kristin Deann

Missing sufficient notice of hearing and service of notice of hearing for spousal property petition. Notice of hearing as filed and served relates only to a July 10 hearing that has been continued by the court, rendering such notice ineffective. Petitioner was notified of the revised hearing date by clerk's notice dated May 19. New notice and service are needed.

Missing Attachment 7 (see ¶ 7), the facts supporting the requested relief.

Revised Attachment 7b is needed. Petitioner requested only relief under ¶¶ 1b & 7b—confirmation of survivor's community property interest. Petitioner does not pray for any determination of decedent's community or separate property passing to him (see unused ¶¶ 1a & 7a). Attachment 7b must include only survivor's community property and may not include any property of decedent.

Clarification is needed: petitioner alleges decedent was survived by 3 children (¶¶ 5a(1) & 9), but also no issue (¶¶ 6a & 6b). Children of decedent are issue of decedent.
