

CV-24-002665 GERGEES, DORIS vs GENERAL MOTORS LLC – Plaintiff's Motion for Attorneys' Fees and Costs Pursuant to Civil Code Section 1794(D) – CONTINUED, on the Court's own motion, to September 9, 2026 at 8:30 a.m. in Department 23.

County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: The Court notes that counsel herein has substantial experience with these types of matters and is presumably well-acquainted with the law governing the determination of reasonable fees and expenses pursuant to the statute. Nevertheless, these types of fee disputes are commonplace and appear to reflect a default pattern of refusing to compromise in favor of "trying their luck" before the court, thus wasting judicial resources in the hopes of obtaining a ruling favoring their side. The Court believes that the potential exists for the parties to informally resolve the issues presented herein if genuine efforts to meet and confer as to such issues are undertaken in good faith. Therefore, the hearing is continued, as above, for that purpose, and the parties are ordered to meet and confer in person or by online video conference to discuss the issues herein. The parties are further ordered to submit a Joint Status Statement by August 28, 2026, describing their efforts to meet-and-confer and any resolution or narrowing of the issues they were able to achieve. The Court strongly encourages the parties to make genuine efforts to informally resolve their differences with due civility to one another. Should counsel for the parties be unable to reach a reasonable compromise of any of the issues presented by the instant motion, the Court may require personal appearances at the time of the continued hearing to further address the issues herein.
