25VECV00149 ARMEN TSATURYAN, BY AND THR... vs TARZANA MEDICAL CENTER

Ex parte application by plaintiff to

advance hearings on motions to enforce the 6/9/2026 order for further responses

to special and form interrogatories: Deny. The court failed to

set a compliance date in the order of 6/9/2026.

Upon discovering the error, the court issued an order on 7/10/2026 nunc

pro tunc setting the compliance date as 7/31/2026.

However,

the court did not take into account that plaintiff apparently wanted the

discovery responses before the depositions of the nurses. Given that

supplemental responses were served with objections and without a verification, the

court now orders (1) verifications to delivered by email to plaintiff's counsel

by noon on 7/19/2026 and (2) objections stricken, without waiting for the

hearing on the motions.
